A Detailed National Directory of Drug & Alcohol Services

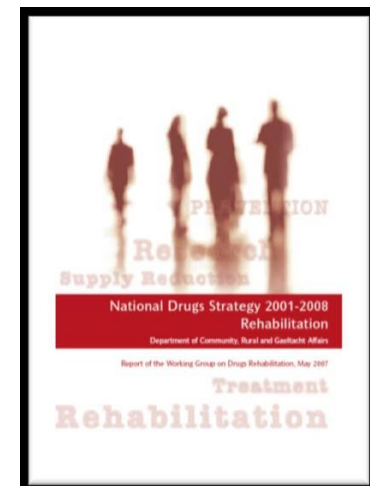

Background:

- National Drugs Strategy (2009-2016)
 - *“Further develop a national website to provide fully integrated information ...”*
- Action 27

- Rehabilitation Report (2007)
 - *“An ongoing Directory of Service Providers for drug treatment and rehabilitation in Ireland should be developed and maintained”*

Rec. 4.3.15

A Detailed National Directory of Drug & Alcohol Services

Aims:

- Enabling people to make informed decisions about treatment and rehabilitation services
- Guiding people to appropriate services based on their needs
- Useful, relevant and up to date information on all services (including all relevant support services)

Integrated Care Pathways

National Drugs
Rehabilitation
Implementation
Committee (NDRIC)

How You Have Helped

- Feedback on project concept
- Input on directory functionality – completion of our Online Survey
- Input on directory content – the Services Registration Questionnaire

Information You Asked For

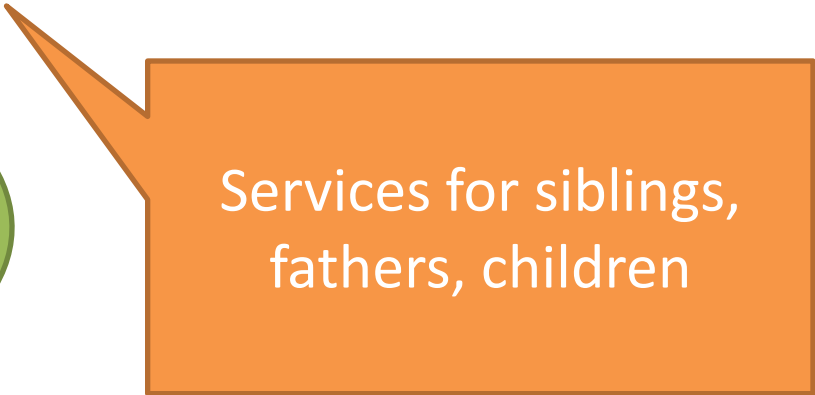

Step-by-step guide
on how to get help

Suicide and
depression
support
services

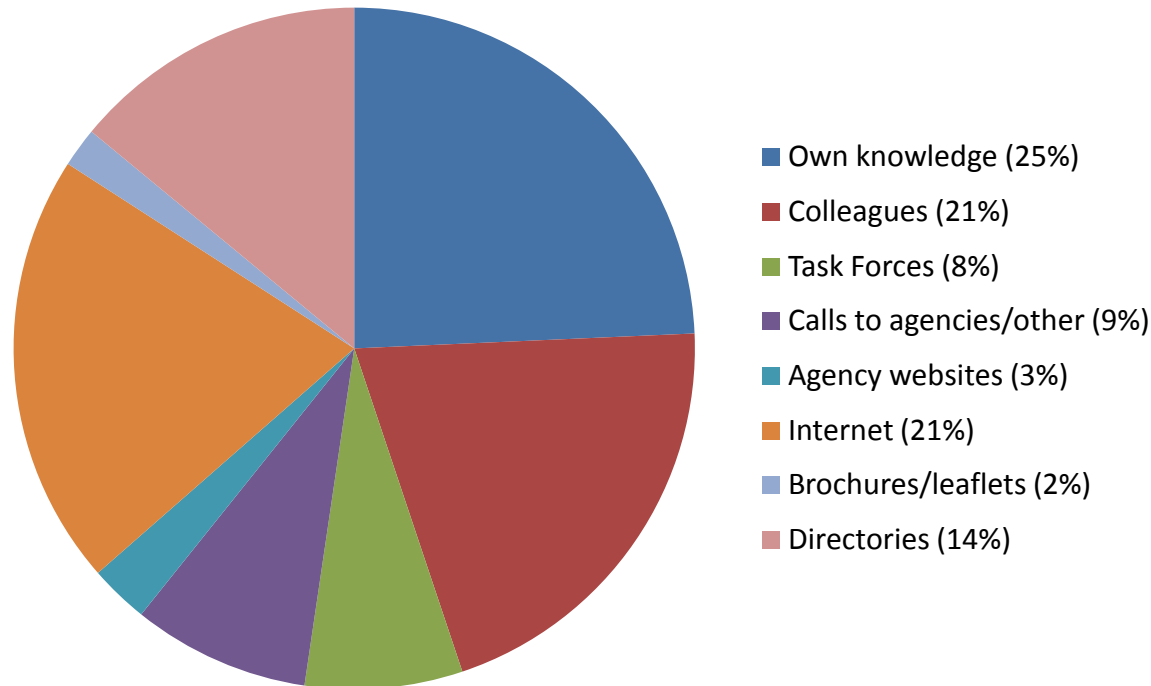

Services for
medical card
holders

Services for siblings,
fathers, children

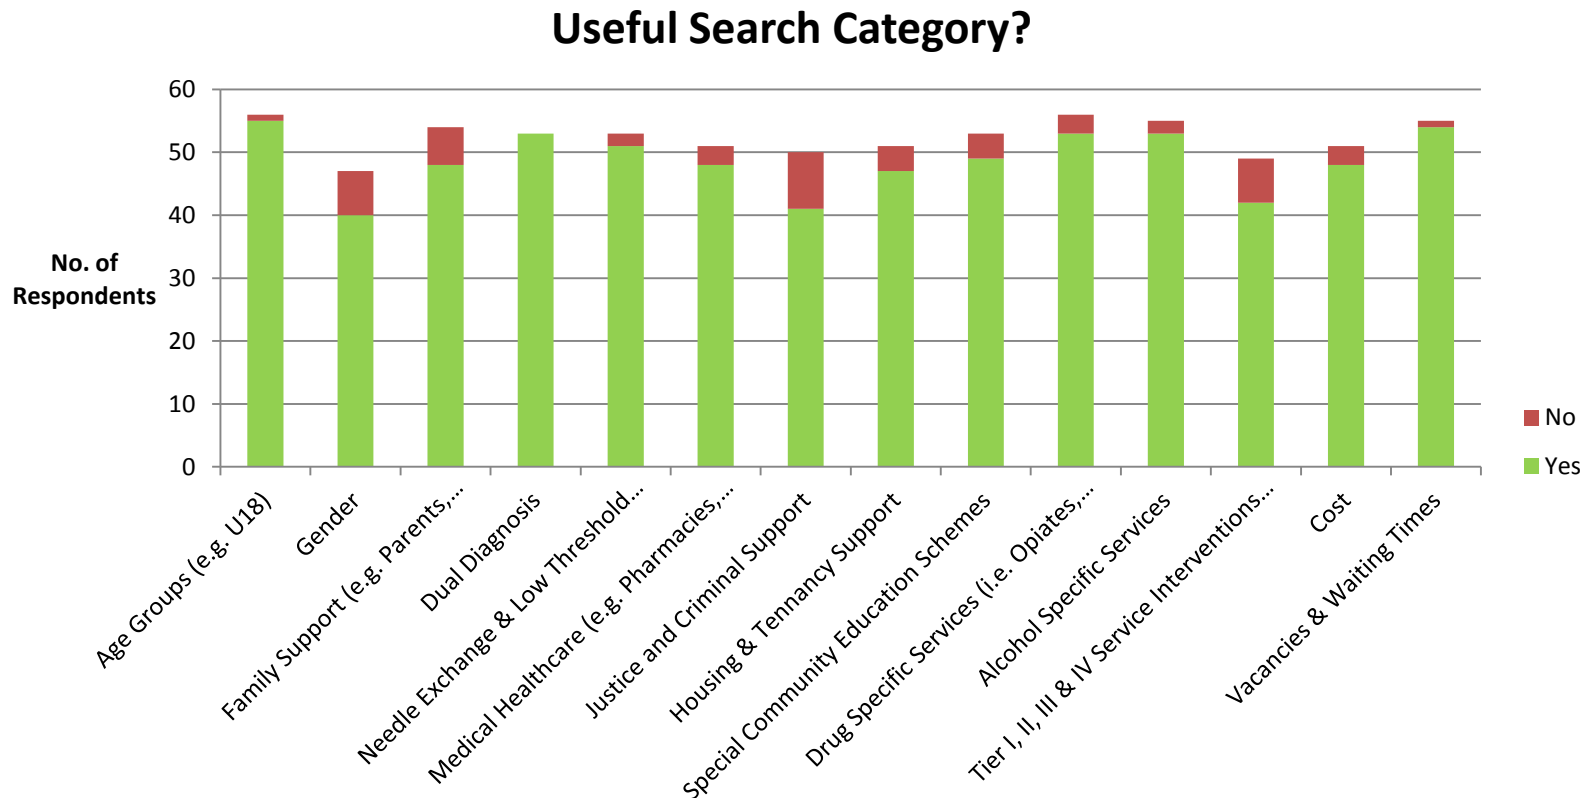

Survey Findings – Service Providers

- When choosing appropriate services for their clients, the majority of service providers rely on their own knowledge

Survey Findings – Service Providers

- 100% of respondents wanted to be able to search for services for clients with dual diagnosis
- Mental health supports were cited as a key interest area

The New Directory

- Here is a sneak preview of the new site>>>
